	Policy No. 500-5 Water Meter Replacement	

Policy No. 500-5

Water Meter Replacement

November 12, 2025

- 1.0 Purpose**
- 1.1 This policy is to establish the procedures for Administration to follow when water meters must be replaced due to being inoperable.

- 2.0 Water Meter Replacement**
- 2.1 If the water meter is damaged and rendered inoperable due to homeowner or renter neglect or damage, the current cost of a replacement meter will be billed to the homeowner.

- 2.2 If the water meter replacement is due to mechanical failure of the water meter itself, there will be no charge to the homeowner for the replacement.
